MEMORANDUM FOR: Mr. Matthew Baird
Director of Training

25X1A6a

SUBJECT : Proposed Visit of General Wyman [REDACTED]

Matt:

At the Deputies' Meeting this morning Mr. Dulles said that over the weekend he had seen General Bill Wyman who indicated that he would like very much to visit [REDACTED] sometime and he requested that we make arrangements for General Wyman to pay such a visit. (You, of course, recall the very active part that the General played in the initial acquisition of [REDACTED])

I suggest that you select a day well ahead of time on which there will be a good show for General Wyman to see, then let me know, and I shall ask the Director whether he wishes to invite General Wyman personally or have us handle the whole affair.
